# Preface

---

MTG has won robust supports from industrial associations, including the Myanmar Garment Manufacturers Association (MGMA), Myanmar Textile Manufacturers' Association (MTMA), Republic of the Union of Myanmar Federation of Chambers of Commerce & Industry (UMFCCI) and Paper Communication Exhibition Services. Gathering all major industrial players, MTG goes far beyond just providing a space for do business, and it's further a true industry event that not only allows you to access education and value-added resources, but also grants you a golden opportunity to build connections with more industrial professionals and potential business partners. The show will run on December 6-9, at the brand new venue Yangon Convention Center (YCC), which will be the largest and the most modern Exhibition & Convention center with 9,000 sq.m flexible space.

The garment industry in Myanmar has more than 400 garment factories and over 400,000 employees earning at least \$2.2 billion from foreign market a year. In 2017, EU raises the order after the reinstatement of Generalized Scheme of Preferences (GSP) rights to Myanmar and become the top market of garment export than it was Japan, garment sector has moved to the third largest export item of Myanmar. Within these outcomes exceed the global expectation, Garment Industry has been estimated to reach out \$3 billion of export very soon.

MTG gathers numerous Textile and Garment innovations from around the world. Covering all the aspects of the textile and garment sectors, the exhibits comprise sewing machine, knitting machine, printing machine, embroidery machine, press machine, spreading machine, fabrics, fibers, yarn, filament, etc., serving as reliable sources for high-performance industrial machinery and solutions.

The Organizer has integrated the self-developed E-Registration and Membership System for MTG 2018, which can reach the users' habit of local market and improve the exhibition value as being an industrial platform. For a better visiting experience and saving the waiting time On-Site, visitors are suggested to apply the Pre-Registration on the MTG Official Website. The completion of Pre-Registration will benefit from receiving instant news of MTG 2018 and the service package provided for visiting buyers.
